

Election 2008 Answers from Those Seeking Office

For Register of Deeds

- 1. What are your qualifications for this office? (75 words)**
- 2. What particular interest compels you to seek this office? (75 words)**
- 3. Describe the duties of the Register of Deeds office and how technology is changing it? (100 words)**

Answers

Victoria A. Lopez (R):

1. (Qualifications) My qualifications for this is 24 years experience working in this office. For eight years I was deputy then ran for office when the former Register of Deeds retired. I am certified through K-State and continue to get re-certified every year.
2. (Interest) I like the work and challenges of the job. Also enjoy working with the public.
3. (Duties)
 - a. The custodian of records and is charged to maintain and preserve
 - b. To supervise deputy and clerks. Record and file reports
 - c. Prepare and submit budget, prepare daily, monthly and yearly balances
 - d. Make daily deposits to the Treasurer
 - e. Prepare yearly abstract of mortgage, inventory, and mineral interest reports

I work with staff where I am needed to keep the daily work current. I must be knowledgeable of the statutes and Attorney General opinions and be aware of changes. Technology is changing. We have new software and are in the process of putting our records on a web-site. This new software is also ready for e-recording.
