Kay's Komments

At the last Board meeting the topic of communication about meetings came up because we had only 6 or 8 people for the presentation by Steve Miller about the interaction between the agencies that have an interest in the Tall Grass Park. Several people later commented that they didn't get reminders and therefore missed a meeting they would have attended. This one page voter is an attempt to remedy that situation. Please post this some place where you can see it and try to make the meetings, especially when we have a guest speaker. Have a great Holiday Season.
Kay Calvert

The League of Women Voters, a nonpartisan political organization, encourages the informed and active participation of citizens in government, works to increase understanding of major public policy issues, and influences public policy through education and advocacy.
